## SANTAS ANONYMOUS

**"Helping children and families in need... no matter what the need."**

Santas Anonymous Society is now celebrating 32 years of helping children in Greater Victoria. It is Victoria's longest running children's charity. A twelve member volunteer board oversees the running of the society and the distribution of funds. The board endeavors to make the Christmas "spirit of giving" continue throughout the year by making special grants available to projects dedicated to enhancing the lives of children in need.

Administrator, Dusty Cunningham, oversees the volunteer involvements and fundraising activities throughout the year. Over 250 volunteers contribute their time and energy, especially at Christmas, which is the busiest time of the year for the Society's major activities. However, other activities take place throughout the year to support their special grants programme.

Support for administering Santas Office is donated by C-FAX 1070 now owned by CTVglobemedia Inc.

This year the proceeds from "Admission by Donation" of spectators, coming on to the Show field on Saturday to view our Jaguars, will go to Santas Anonymous. Volunteers will be offering refreshments to all attendees throughout the day and there will be some sharing, with Santas Anonymous, of proceeds from other events during the weekend.

On Friday evening, the weather report will be broadcast from the Inn at Laurel Point, where some of our Jaguars will be on display.
