MARCH IS MODEL MONTH

All displays will be given a number on the night of the event and members present will be able to "vote" for their favorite display/layout of models & or paraphernalia.

The objective is to use a few or a bunch of models &/or paraphernalia to create an effective display to win the hearts of the voters.

Again this year there will be time & space for MODEL SWAP & SHOP – so bring your spares and be prepared to bargain!

Anyone interested in going to the 19th Annual NAMGBR convention in Belleville, Ontario June 23-27 please contact Joe Carroll @ 604-988-2497

Can you do the Bunny Hop? The executive is looking for someone to hop forward and take over the Easter Bunny Run. A few obscure questions, cleverly disguised and promoted as easy; a driving route that confuses, but only slightly; and a flexible destination for lunch. Throw in a few chocolate eggs and bunnies for incentive, some food for the food bank as an entry fee and it's done! Please contact Krista Briggs or Allan Lawrence.

It is with sadness that we let our members know that Arnie Taub passed away on Friday, February 26th. Arnie was the man behind the Run to the Gorge event as well as the Western Washington All British Field Meet. If you had the opportunity to meet him, I am sure you will remember a very gregarious man who was a friend to many and had a love and admiration of all British cars. He will be missed.

His family has requested privacy during this time and there will be no public funeral.

The Run to the Gorge event will be canceled this year, but the ABFM will continue on as planned.
