Hi Peter and Anne,

Thank you for the news; what an unexpected honour! If I return and win it a second time, would I get to keep the trophy? Joking aside, it is very nice at this stage to still be remembered at some of the locations I visited and Vancouver particularly. I thoroughly enjoyed my visit and have become a fervent promoter of the area to whoever will listen.

Roy

Although all this stuff is behind Peter Tilbury's MGA, it actually came out of the boot of Bridget the Midget, the BRG MG Midget alongside, prior to the Heritage Slalom. These spare parts, oils, clothes, etc, travelled around the world with Roy Locock, the recipient of the CCMGC/CXKJR Club's 2009 "Dirty Boot" Award.
